MY DAY IN CUPS OF TEA

ARRIVE, 9:30 - 10:00

CUP 1 - GET WORK

Get the day's work either by email or in person from Olivia or Andrea. Work ranges from posters to brand development to infographics

CUP 2 - LUNCH

We all have lunch together in a dining room on the lower floor of the office building. Sometimes we discuss work at lunch, but not usually

CUP 3 - FEEDBACK

By afternoon, I usually have a draft to show. I will get input on word choice, etc. Design choices are usually left to my discretion

GO HOME, 6:00

WHAT AM I GAINING?

FREELANCE EXPERIENCE

WORKING WITH A CLIENT

- each project is a “commission”
- understanding and interpreting prompts
- teasing out “what the client really wants”

CREATIVE FREEDOM

- complete control over look and feel of work
- treated as an expert rather than as an intern

WHAT AM I MISSING?

TECHNICAL GROWTH

NO SOFTWARE ENGINEERING

- I miss programming!
- CS is actually my primary area of study and expertise
- Pure graphic design is not as challenging

NO MENTORSHIP OR GUIDANCE

- Technical skills I'm using are skills I already had
- No one to give me criticism as a mentor
- No real possibility of collaborative work

ANGIRA, AFTER

FREELANCING SKILLS

prototyping -
wireframing -
brand development -
web development -
client interaction -
clarifying questions -
rapid turnover -

WORKING STYLE

independent -
also collaborative -
require variety/challenge -
be strong & hurry up -

PERSONALITY

- creative
- quantitative
- pragmatic
- introverted
- more type B
- private self-concept
- theorist
- plant
- intrinsically motivated

TECHNICAL SKILLS

- adobe creative suite
